

Management Accountant

Rosderra Irish Meats

Rosderra is a leading Irish agri-business, employing over 1,300 staff across 5 locations in the midlands. Rosderra has been Ireland's foremost pigmeat processor for over twenty years, operating two state-of-the-art processing facilities in Offaly and Tipperary. The strength of its market position has allowed the group to expand into international markets, taking advantage of increasing global demand for Irish pigmeat.

Rosderra continually seeks to invest in and develop its staff to make it an employer of choice in the food industry.

We are currently seeking a talented and ambitious accountant to act as management accountant for a large portfolio of farms.

The role will involve responsibility for all financial matters and supporting the Head of Farms to drive the operational and financial performance.

The successful candidate will be a commercially orientated and work well within a team. Previous agri-business or farming experience will be beneficial though not a requirement.

The group is headquartered in Edenderry Co. Offaly. There can be flexibility as regards the location of the position within the midlands area.

Responsibilities

- Preparation of Weekly Accounts and KPI's for Senior management
- Preparation of Monthly Management Accounts in SAP
- Ongoing review and reconciliation of balance sheet control accounts
- Variance Analysis reporting against budget and standards
- Liaise directly with external auditors as part of Farms year-end audit
- Preparation of capital investment proposals (CAPEX)
- Financial Management of CAPEX projects
- Preparation of Budgets

- Monthly presentation to the board of directors
- Oversee the purchase order process
- Provide support to the Farms manager and group finance team
- Continuous Improvement, work closely with the farm's management team to support a culture of continuous and operational improvement, often through Lean projects
- Weekly payroll review and approval
- Coordination of periodic and year-end stocktakes
- Completion of VAT returns to Revenue
- Ad-hoc projects as required

Required Qualifications:

- Have a recognised accountancy qualification
- Be proficient in Excel
- Have excellent organisational and time management skills
- Have excellent communication skills
- An enthusiasm for Irish agriculture

Attractive remuneration package with experience a factor
